

# SCHOOLS ARE THE TARGET

By George Yelland

A meeting of Victorian Soccer Federation officials and schoolmasters last Thursday evening formed a liaison committee to explore every aspect of schoolboy soccer, and its introduction into ALL schools in Victoria.

This makes Thursday, May 8, 1970 a date to remember in the annals of Victorian Soccer. Leading V.S.F. officials, representing every facet of the game, attended the meeting, which was held at the Victoria Hotel, Little Collins Street, Melbourne, to make contact with schools, and through these contacts, to introduce the game to boys of all ages.

A good turn-up of schoolmasters showed a lively interest in the game, and the important place it could play in the sporting activities at their schools.

Chairman of the V.S.F. Board of Management Mr. John Gorton welcomed the school masters, explained the aims and objects of the Federation, and invited them to direct questions to the various experts present.

## Alternative Sport

He emphasised that Soccer was not attempting to challenge or eliminate football, but was an alternative sport in which boys of all ages, sizes and physiques could participate.

Size was no bar to proficiency at Soccer, but that did not make it a "sissy" game. Mr. Gorton stressed that Soccer was a game of skilful ball control, in which co-ordination of mind and body was developed.

This could lead only to

more alertness in scholastic pursuits. Numerous questions asked showed that the schoolmasters present desired and were willing to give their pupils an opportunity of playing soccer.

The famous Shell coaching film, which shows methods used to develop soccer skills, obviously impressed the un-initiated.

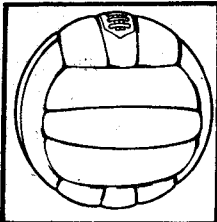

Question time led on to a general discussion in which many aspects of the introduction of soccer into schools were examined.

Mr. Gordon Culbard, chairman V.J.S.F., and Mr. Gordon Spicer, the then secretary of the V.J.S.F., deserve great credit for having organised the evening, and for the work they put in preparing for it.

## Committee of nine

Four V.S.F. officials and five teachers were elected to the liaison committee. They are: Mr. John Gorton, Chairman; Mr. Andy Kun, vice-president, V.S.F.; Mr. Tom Burns, vice-president, V.S.F.; Mr. Enver Begovic, chairman, State League Council; Mr. John Dickson, Wesley College; Mr. Bob Gough, Marylands High School; Mr. Bob Mobbs, Ascendate Technical School; Mr. Ken Anderson, Jacana Primary School; and Mr. Allan Boyle, Footscray Primary School.

# Nothing to compare COLIN REPLIES

By LAURIE SCHWAB

Hakoah Sydney proved itself the greatest team in Australia by beating its closest rival St. George Budapest 2-1 at Wentworth Park on Sunday.

Melbourne does not have a team that could match these soccer giants.

Juventus - the best we've got - would have been torn to pieces by the attacks of either team and the static Juventus forwards would have been brushed aside by men like Alan Marnoch, Manfred Schaefer, John Watkiss, Dennis Yaeger and Don Sandell.

The match was billed by all Sydney newspapers, radio and television stations as the game of the year and none of the 8000 spec-

tators went home disappointed.

The game featured 14 past and present Australian representatives - Danny Walsh, Roy Blitz, Ray Baartz, Willie Rutherford, Watkiss, Yaeger, Marnoch (Hakoah), Mike Denton, Adrian Alston, Atilla Abonyi, Johnny Warren, Jim Fraser, Schaefer and Sandell (St. George).

It also had Hakoah's dazzling striker Dave Keddie, who has represented NSW and is headed for the national team.

Before kick-off, Hakoah was on top of the ladder, undefeated in five games, with a goal average of 27:3.

St. George had played only four games, but was also undefeated. Their goal average was 13:2. On the league goal-scorers' list, Baartz was first with nine, Keddie second with eight, Blitz fourth with five and Rutherford fifth with four.

Denton was St. George's top scorer.

Hakoah looked dangerous from the kick-off.

Rutherford started in great style, using his speed to advantage on the left wing. However, as the game progressed, he seemed to get too cocky and continuously lost the ball after holding it too long.

He was taken off shortly after half time.

Australian skipper Johnny Warren, who played with a broken thumb, had a quiet first half, leaving the bulk of the link work to Cliss and Ainslie.

Best players were - Hakoah: Baartz, Walsh, Blitz, St. George: Schaefer, Warren, Abonyi.

HAKOAH: Haffey, Davey, Yaeger, Watkiss, Marnoch, Walsh, Blitz, Fekete, Keddie, Baartz, Rutherford (sub. Hennessy 66th).

ST. GEORGE: Fraser, Sandell, Morgan, Schaefer, Bird, Cliss, Abonyi, Warren, Ainslie, (sub. Harris, 73), Alston, Denton.

Striker Colin Horner told Soccer News this week that he had not attempted to dictate to the Lions Club.

He was replying to a story in Soccer News last week that he had been suspended indefinitely for a breach of discipline.

Colin said that at the time Hugh Murney was relieved of the coach's job, he (Colin) was out training early on his own.

He came in to find out what was going on. He said he received no

satisfaction. He said he packed up and went home.

Later he tried to contact an official of the club. He claimed he was refused an interview, so stayed away from Essendon and did not train.

Because he was returning to England in the near future, he decided to give up playing.

He goes to Sydney this week-end, and sails for England, a fortnight later.

# STATE LEAGUE

-with the experts

## SITTING PRETTY

Juventus remains the only unbeaten side with a commanding four-point lead at the top of the State League ladder.

They are showing no signs of cracking and could be well in line for the league title which they last won in 1958, the first year of the State League competition.

However, there is still a long way to go.

JUST, last year's champions, are pulling up quickly. Croatia are far from being out of the reckoning.

South Melbourne Hellas are still well placed. So are Melbourne and Wilhelmina.

One thing is obvious. A real gap is now beginning to show between those in the top and bottom halves of the table.

Indications are this could widen further as the season goes on and the struggle to avoid relegation develops.

Here is a preview of this week's games:-

### SLAVIA v CROATIA

Stonewall tactics by their defence has played an important part in Slavia getting two points and two draws from their last two games.

With some confidence

restored after a disastrous start they must get more into the scoring act if they hope to climb to safety.

Croatia, despite their defeat by Juventus, are formidable opposition. With a much more potent attack they should collect full points.

### POLONIA v J.U.S.T.

Polonia's easy 5-0 win over Alexander gave their forwards plenty of scoring practice. They will find JUST, a much different proposition and their talented youngsters, plus a sprinkling of experienced and seasoned players, could be hard

pushed to stave off the pressure the Footscray side may apply.

Polonia's prospects will hinge on their ability to unsettle JUST early. If they can't succeed their hopes will dwindle of saving even one point.

### MELBOURNE v LIONS

Hard pushed to beat George Cross, the Melbourne side are still well placed and seem likely to improve. On the other hand Lions are struggling to find a balanced formation and have not recovered from

### HAKOAH v. WILHELMINA

Looking at the displays of both sides last week Hakoah have the task ahead to salvage one point.

Hakoah's showing against JUST was pathetic. Wilhelmina, well driven by Brian

### JUVENTUS v ALEXANDER

Justifying their position at the top of the table Juventus will cause something of a sensation if they lose or even drop a point here.

The difference between the teams is so great in

### GEORGE CROSS v S.M. HELLAS

Losing so many games by the odd goal and only drawing matches they should have won, George Cross must be reflecting how much higher they could have been if they had a strong centre half, and even one forward with art in finishing.

After their exacting program last week-end, South Melbourne - Hellas

Slavia's Jim Train is in pain after a knock in the face during the game against Hellas last week.

## PYGALL GRABS LEAD

By polling two votes for his game against Lions, Wilhelmina linkman David Pygall has become the leading contender for the 1970 Marlboro best player award.

Pygall, who has 14 votes, leads Tommy Stankovic of Footscray J.U.S.T. and John Gardiner of George Cross by a vote.

Pygall's votes so far have been 3, 0, 3, 0, 3, 3, 2. Bryan Thomson, of Juventus, is still leader in the Marlboro top goal-scoring award.

Thomson's goal against Croatia brought his total to seven.

Footscray's Slobodan Zoraja scored a hat-trick against Hakoah. He now has a total of five and

looks like again being among the leading contenders for goalscoring honors.

Votes for the seventh round:

JUVENTUS: 3. Salisbury 2. Goodwin 1. Kinnell.

CROATIA: 3. MacKay 2. Vojtek 1. Williams.

MELBOURNE: 3. Keri 2. Juhasz 1. Wallace.

GEORGE CROSS: 3. Walker 2. Reid 1. Gardiner.

HELLAS: 3. Ackerley 2. Blank 1. Walker.

SLAVIA: 3. Jones 2. Train 1. Zanatta.

WILHELMINA: 3. Edgeley 2. Pygall 1. Ward.

LIONS: 3. Murney 2. Keenan 1. Roseweir.

ALEXANDER: 3. T. Xanthopoulos 2. Militsis 1. Brown.

POLONIA: 3. Czapnik 2. Blank 1. Zurawski.

J.U.S.T.: 3. Zoraja 2. Utjesenovic 1. Evans.

HAKOAH: 3. Cameron 2. Henderson 1. Baker.

Mike O'Hara, of Slavia, uses both hands and feet to clear the ball from his Hellas opponent in last week's game.

# Winger breaks a leg

MELBOURNE 3, GEORGE CROSS 2

MELBOURNE WINGER NORM DAVIE BROKE HIS LEG DURING THE GAME AGAINST GEORGE CROSS ON SUNDAY AND WILL MISS THE REST OF THE SEASON.

Davie had not been in the original line-up for the game.

He was selected to take the place of Steve Bleskany who on Saturday afternoon received a telegram from Europe, telling him his father had died.

The loss of Davie is a blow for Melbourne which has a shortage of talent.

Irishman Gary Yaar made his senior debut when he replaced Davie, but although he showed promise it was obvious he was far from fit.

The man who made the biggest impression was linkman Istvan Keri, who scored two of Melbourne's goals.

Fabian Juhasz, who arrived a few months ago with Keri, Jozsef Szabo and Laszlo Koroknai, continued to play faultless soccer and looks like becoming Victoria's new centre half.

George Cross were always dangerous and

## J.U.S.T. 4, HAKOAH 0

Hakoah were completely outclassed by JUST.

It took JUST only minutes to assume control, and with Zoraja in dazzling form, they scored a great hat-trick with Buljevic getting a single from a penalty award after Cameron pulled down Micic in the box.

JUST scored two goals in each half. Henderson in the Hakoah goal was kept busy throughout and pulled off some great saves.

Scorers — J.U.S.T.: Zoraja 3, Buljevic pen.

TEAMS  
J.U.S.T.: Fode, Utjesenovic, Bumir, Micic, Evans, Cirko, Zoraja, Lukic, Mihailovic, Buljevic, Stanokovic.

could have won this game had it not been for a smart move by Melbourne coach Zvonimir Rasic.

George Cross had the wind advantage in the second half, so Rasic replaced Tom Gerrard with Tom Carmichael, knowing that Carmichael was superior in the air.

THE TEAMS  
MELBOURNE: Gerrard (sub. Carmichael half time), McDaid, Juhasz, Szabo, McGowan, Scott, Keri, Wallace, Pocock, Rogers, Davie (sub. Yarr. 80th m.).

GEORGE CROSS: Kastner, Friedberg, Kelly (sub. McLachlan, half time), Sanchez, Truskowski, Gardiner, Pryde, Smart, Reid, Walker, Epifano. Attendance: 900.

At Montgomery Park. Referee: Mr. Greenwood. Attendance: 300.

## Hellas faded

S. Melb. Hellas 1, Slavia 1

Indifferent finishing by Hellas allowed Slavia to take a point from this moderate game at Middle Park last Saturday.

Hellas had control in mid-field but broke down in the penalty area.

Striker Armstrong was shadowed out of the attack by newcomer Jimmy Train.

Sandy Jones, Tony Zonatta and Train set up a barrier which was only breached once.

Mike O'Hara had a relatively easy afternoon.

Up forward, Slavia were as inept as Hellas and it was only late in the game that Russell Steele blasted home the equaliser.

Alan Rutherford was injured and his replacement David Kelly lacked match practice.

Steve Walker, David High and Johnny Bedford commanded the middle and Hellas' goal-keeper Auger dealt adequately with all that came his way until Steele's drive.

S. MELB. HELLAS 1 (Ack-erley) F.M. SLAVIA 1 (Steele).

TEAMS  
S.M. HELLAS: Auger, Kyriazis, Kelly, Bedford, Walker, High, Kokinos, Gorrie, Ack-erley, Armstrong, Gould, Dani-anakos replaced Kokinos in the second half.

F.M. SLAVIA: O'Hara, Jones, Train, Sjo, Zonatta, Sheddin, Livingstone, McCal-lum, Steele, Paul, Harris re-placed Sjo after 60 minutes.

## Lions 1, Ringwood C. 2

Three minutes into an unusually long injury time, Wim Spiekerman scored to give Ringwood a victory which enabled them to keep in touch with the leaders.

On such a deplorable pitch good soccer was at a premium.

Mike Pye, opened the score for Ringwood after good work by Spiekerman and Edgley.

For Lions, Murney was sweeping up effectively if not prettily behind an otherwise shaky backline.

With time running out for both sides, it was now Ringwood's turn to put the pressure on, and from the second of two quick corners taken by Steve Atkins, Wim Spiekerman, rose high in front of Wenzl in the Lions Goal and nodded the ball into the net for the winner.

TEAMS  
LIONS: Wenzl, Murray, Frydlawicz, Murney, Van Zeigt, McCarthy, J. Robert-son, Butler, Koezwir, T. Robertson, Keenan.

F. Ingram replaced T. Robert-son, 62 mins.

RINGWOOD CITY: Van Egmond, Bailey, Bens, Pygall, Ward, Adam, Atkins, Edgley, Spiekerman, Pye, Bunce. Eggers replaced Bunce 15 mins.

Alexander's Peter Self is airborne in an unsuccessful attempt to kick the ball goalwards in the match against Polonia last week.

## A DAZZLER

Croatia 2, Juventus 3.

Match of the week-end and top of the table battle between Croatia and Juventus lived up to expectations.

Fast, exciting, end to end Soccer kept the interest of the crowd estimated at 5000.

In the end, Juventus's sheer professionalism won the day, but only after a hard struggle.

A number of chances and near misses might easily have influenced the result either way.

A brilliant start produced three goals in less than fifteen minutes.

Bryan Thomson opened for Juventus with a well judged header. This was followed by Dino DeMarchi rushing in and beating Kovacek to the ball for the second goal.

It was Croatia's turn when Williams easily converted a penalty kick.

More goals might have followed if both sides had not bored down the middle into a wall of defenders.

Most State League teams are devoid of true wingers, able to use the corners and pull a ball back.

This strings out a defence across the field and creates scoring openings.

In the second half, an energetic Billy Vojtek rose in the goal-mouth to head an equaliser.

Frost cracked home the winner when Goodwin, Webster and McCol combined to create the opening.

George Kinnell, Sandy Irvine, Jock Goodwin, Salisbury and Thomson were outstanding in a side which showed few weaknesses.

McArthur, Gunn, Williams, Vojtek and McKay were prominent in a Croatia side that scarcely deserved to lose.

Before the game started, Frank Bot twisted a muscle in his back and had to be helped from the ground. Billy McArthur took his place in the kick off line-up.

Teams — CROATIA: Kovacek, McArthur, Gunn, Symington, Williams, Rau, McIntyre, Rajher,

# NOT MUCH LIFE

ALEXANDER 0, POLONIA 5

Alexander gave a half-hearted display last week.

Alexander, who held the whip hand for almost half an hour, lost three quick goals before half-time and were a beaten side before the teams re-appeared at interval.

Only the veteran Taki Xantopoulos impressed as he strove hard to hold the youthful left wing pair of Czapnik and Plaskota.

Except for the first half hour until they gained their composure, Polonia were in complete command. Inspired by Closs in the midfield, and Czapnik in attack, they coasted to their easiest win.

Scorers — Polonia: Sitka 2, Widara, Czapnik, Plaskota.

TEAMS

## The I.C.I. Story

# Bill Bowman admits he was wrong

By JOE MAJOR

"If I.C.I. goes down, I'll go down with it," said Deer Park I.C.I. stalwart Bill Bowman when West Sunshine suggested amalgamation last year.

Deer Park was on the bottom of the Fourth Division ladder. The club's junior section had folded up in 1967 and some players were taking the field for two games to make up the numbers in the reserve team.

Support was at rock bottom and there was little hope left.

Mr Bowman, a foundation member of Deer Park ICI which was formed in 1928, was going to see it through to the end.

But his committee had different ideas.

Four weeks before the 1969 season, the amalgamation with West Sunshine took place.

Today, Bill Bowman is the first to admit he was wrong.

The new-look club, now called Western Suburbs ICI, finished second to Mooroolbark, and was promoted for the first time since 1957.

This year it reached the final of the Noordenne Cup by beating Kingsville

5-4, Altona Central 3-1, Sunshine City 3-1 and St. Albans, which conceded a walkover.

Western Suburbs was finally beaten by the strong Altona City 2-0.

The team has proved it can beat opposition from even the First Division, and with the sponsorship of the industrial giant ICI, it is heading for the top.

The ICI company provides Western Suburbs ground at Deer Park and modern, licensed club rooms which the soccer club shares with ICI's other sports organisations.

When John Grist, Norman Taylor, Bill Bowman, Alan Perry, John Smith, Percy Smith and Ted Stoneham founded the club in 1928, it was called Nobels after the explosives factory at Deer Park.

It was not until 1939, after ICI had taken over a large number of Deer Park industries, including Nobels, that the club changed its name.

The club's connection with large employers like Nobels and ICI has been its major asset.

People came from all over Melbourne to work in Deer Park, so the club was never short of good players.

Although membership of the club was 10/- when the weekly wage was only £3-10-0, ICI quickly built a strong team, which won the Fourth Division premiership without losing a game in 1929 — its first competition year.

During the depression, ICI was one of the few clubs to keep playing because players came to Deer Park to find work.

In 1936 ICI won the Second Division premiership but was not promoted because it was not fielding juniors.

The following year, First Division club Royal Caledonians folded up and many of its players switched to ICI.

Among them were stars like Jock and Smith Weir, Johnny Johnson and Billy Douglas.

Junior section was also formed so when the team again won the premiership in 1937, it

moved up to First Division.

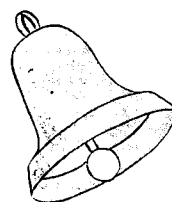

Although the juniors were in their first year, they won the 1937 under 14 premierships and repeated the feat the following season. They also held the Salmond Cup from 1937 to 1940, and the J. J. Liston Cup from 1938 to 1940.

The under 15's won the Hartley Shield in 1939 and 1940.

And for the seniors, 1938 to 1940 were record-breaking years.

Their feat of winning both the Armstrong and Dockerty Cup three years running has not been equalled. Added to this, the reserves won the premiership from 1938 to 1940 and were Victorian premiers in 1939 and 1940.

In 1940 the seniors were undefeated premiers of First Division, and set a record of being unbeaten for three years on their home ground.

Other First Division clubs of the era included Box Hill, Brighton, South Yarra, Heidelberg, Hakoah, Footscray Thistle, Prahran, Park Rangers and Moreland.

The mainstays of the club throughout this glorious period were Bill Bowman and his late wife Hypatia.

Both played a big part in running the juniors. Bill was responsible for getting soccer introduced at Albion State School and was a foundation member of the now defunct Schoolboys' Association.

His wife was just as active. She even used to act as team manager for the juniors.

From 1941 army enlistments weakened the ICI team, and the club slipped downhill. Things got so bad that the club closed down, and it was not until after the war that activities were resumed.

**Breakaway**  
In 1947 a number of ICI reserves broke away and formed Sunshine United, where Bill Bowman had a short spell as chairman.

The new club won the First Division premiership in 1947 and existed until 1959.

ICI had no major suc-

cesses until 1957, when it won the Metropolitan North premiership from Lions, Heidelberg, University Baywater, St Albans, Williamstown, Fairfield, CSR and CFC.

Sunshine United, which came sixth in Third Division, beat ICI 1-0 in the first round of the Armstrong Cup.

Treasurer of Sunshine United at the time was Ken Hitchings, who is now chairman of Western Suburbs ICI.

In 1958, ICI came last in First Division North, behind Footscray Capri, Yallourn, Sunshine City, Preston, Maccabi, Coburg, Hajduk and Brunswick.

Although ICI beat Brunswick 5-4, it lost 1-0 to Yallourn, 1-9 to Footscray and 1-7 to Preston.

Sunshine United disappeared in 1959 and ICI finished second last in Second Division North. It stayed in that division until 1964, when a re-arrangement of competitions put the club into Third Division.

Supporters were given false hope when ICI finished fifth in 1964, for the following year it came last without winning a game.

The decline continued in Fourth Division — seventh in 1966, ninth in 1967, last in 1968. By this time all ICI had left were memories, memories of the late '30's and of great players like full back Jack Weir, captain and half back Angus Drennan, who represented Australia against England in 1953 and who won the Argus Medal while playing for Box Hill in 1959, defender Jim Balish, who started with ICI juniors, played for Slavia Altona City and Johnny Armstrong, who also graduated to Slavia.

But there was little hope for the future. The club was in debt and finding it hard to recruit players.

So the amalgamation with District League club West Sunshine was a wise move.

**Wise move**  
It once again made ICI a strong team and it gave West Sunshine a berth in Fourth Division.

West Sunshine was founded late in 1966 by Dimitrios Fkias, who sought the help of the Greek Social club Adamidis.

Two other clubs in the area — Libertas and Sunshine Heights had amalgamated but in 1966 they were refused re-admission to the Federation so West Sunshine had the district to itself.

Mr Fkias asked estate agent Emmanuel Parissis to become president and the new club entered the West Division of the District League in 1967, to finish fifth.

In 1968 the club signed former South Melbourne Hellas goalkeeper Savvas Kagioglou as player - coach and won the West Division premiership. It finished second in the District League Cup, being beaten 2-3 by Fitzroy, after leading 2-0.

The same year West Sunshine made an application for admittance to Fourth Division, but the decision went to Eltham.

Victorian Soccer Federation officials explained at the time that there were enough clubs based in the Western Suburbs.

So Mr Parissis and Rick Lavale of the District League proposed an

## Taffy's Tips for the

Although there were TEN scoring Draws and only one score-less last Saturday, first prize dividends in the Treble Chance Pools should be in the five-figure pay-out.

Eight of the draws appear on the top half of the lists and the majority of perm-punters spread their selections over all the coupons so it will not be a good result for them.

Yet again I know of many who because of the lack of Draws in our matches use two perms each of about ten or twelve selections and play one half of the coupon against the other, these people will be in the money next week.

The break-up of the Draws was - one each in New South Wales and Queensland, seven (including score-less one) in Victoria, and one each in Western Australia and Tasmania.

Balance of the coupons was 25 Always and 19 Home winners.

Of the Home winners Ten teams won by three or more goals, in fact four won their games by "cricket scores" so the Golden Homes Pools punters will be happy.

However, in spite of the fact that there were quite a number of English and Scottish matches during the first four weeks of the Summer Pools, with the advent of the Australian

season, results so far have shown that Treble Chance dividends will be higher than in the past British season.

Also equally important to punters is that five-figure dividends are being paid on less than maximum points not only in the Treble Chance Pools, but in the Golden Homes Pools too.

Here are the dividends in sterling currency for Saturday, May 2, when there were NINE draws, their numbers on the lists were - scoring: 5, 18, 28, 39, 51, score-less: 13, 29 and 30.

**LITTLEWOODS**  
Treble Chance Pool: 22 points, £73,237-0-0 for a penny; 21 points, £1,111-1-0; 20 points, £66-13-0; 19 points, £6-7-0; 18 points, £1-3-0.

Twelve Match Results Pool: (2 postponed) 10 correct, £94-9-0 for 2d.; 9 correct, £2-4-0; 8 correct, 4-0.

Golden Homes Pool: 24 points, £263-1-0 for a penny; 23 points, £3-9-0; 22 points, £1-10-0; 21 points 12 1, 21 1/2 points, 4-0.

Three Draws: 136-0.

# POOLS

**VERNONS**  
Treble Chance Pool: 20 points, £1,269-9-0 for a farthing; 19 points, £15-10-0; 18 points, £1-1-0; no fourth dividend.  
Twelve Results Pool: 12 correct, £289-12-0 for 2d.; 11 correct, £5-8-0; 10 correct, 8-0.  
Three Draws: 104-0.

As you can see from the above both Treble Chance Pools, paid out below the maximum of 24 points for the third week running, but now that form is settling down a little more, the top teams will be on the job with their defences and as a result drawn games will not be at such a premium.

And yet again it speaks the same for forwards to wear their shooting boots, as I suggested last week, make a note of the high scoring teams.

So now, off we go to **NEXT SATURDAY WEEK, MAY 23**, when the following should have good Home wins: Manley (N.S.W.), Azzurri (Q.), Annerley (Q.), Sandringham, Croydon, Doncaster Rovers, Eltham, Croatia (S.A.), Lions (S.A.), Mitcham (S.A.), Cracovia (W.A.), Tricolore (W.A.), Manning (W.A.), Swan

United (W.A.), Olympia (Tas.), Rapids (Tas.).

**FOURWAYS**  
• Mitchellton (Q.), Moreland, • St. Kilda, Newport • Polonia (S.A.), Olympic W.A.).

**THREEDRAWS**  
Thistle v. St. Helens (Q.), Hercules v. Coburg, Mornington v. Glenroy. And now for the big money with those elusive eight draws, I select the following:-

**TREBLECHANCE**  
• Marconi v. Prague (N.S.W.), Yugal v. Budapest (N.S.W.), Thistle v. St. Helens (Q.), Hercules v. Coburg, Helvetic v. Ferntree Gully, • Mornington v. Glenroy, Budapest v. Hellas (S.A.), Cumberland v. Juventus (S.A.), • Beograd v. Elizabeth (S.A.), Salisbury v. Campbelltown (S.A.), Graduates v. Western (S.A.), Cottesloe v. Perth City (W.A.), • Athena v. Swan Athletic (W.A.), Cockburn v. Medina (W.A.).

# Metropolitan round-up — with George Yelland

Startling results featured Metropolitan Soccer, resulting in upheavals on most league ladders.

Results in Division One top of the table

Altona City produced a second half burst of cultured and enthusiastic soccer to overcome an equally polished Keilor City in one of the finest exhibitions of soccer I have seen this season.

Following early even exchanges, with the ball travelling rapidly, and to end, Altona appeared to be gaining the ascendancy. Out of the blue, a low shot flew in from the boot of Keilor's inside right, Altona's goalie allowed the ball to pass, thinking it was missing the goal.

To the consternation of Altona and their supporters, the ball slipped just inside the post to give Keilor a half-time lead 1-0.

The second half was a different story, Altona, playing down the slight slope and benefitting from a following wind, subjected the visitors to intense pressure.

Goals by Bill Savage and Harry Van Ypern gave Altona a merited victory. Keilor were without their star pivot and centre-forward yet played beautiful soccer and the away looked dangerous in attack.

Altona are a well balanced side and will

battles saw Elwood Austria emerge as new leaders in the State League promotion battle.

Box Hill slipped in to third position and

with Coburg only managing a draw in Division Two, the last 100 per cent records went.

Five home wins, thirteen away and six

draws, illustrate the crazy form.

The pattern was continued on Sunday when the thirds competition had four away wins, one home and a draw.

## NEW LEADERS!

### Upheavals in most Metro Divisions

figure prominently in the promotion battle.

Shock result was Elwood Austria's defeat of Box Hill, at Wembley Park. It must have been a terrific battle, but no one bothered to ring in an account of the game or goal scorers.

Dandenong City were without Beau Holcombe, Peter Lowen and Dennis Goodall for their visit to Sunshine.

Injuries prevented Sunshine from fielding their strongest team but a fine encounter ended with honours even.

In thirteen minutes Sunshine, who had attacked from the start, took the lead, Kazi Pietrowski darted down the wing and centred for Bobby Pocock to crack it home.

A minute earlier, Mick Bannigan hit the bar with a terrific shot. Dandenong gained the upper hand in the second half and Dave Parker equalised following a corner.

Sunshine had a golden opportunity to take the lead but Pietrowski's spot kick was brilliantly saved by Bob Rice.

Herbert Seenan stood out for Sunshine with

grand service coming from Bannigan and Pietrowski, Bob Rice and Dave Parker were prominent for Dandenong.

A draw was a fair result. Springvale's continued improvement brought two valuable points at St. Albans.

St. Albans were on top for most of the first half but their finishing was pathetic.

Following a free kick, Hank Meyer chased a long ball down the middle which bounced over the centre-half.

Collecting the ball he coolly sidestepped the

goalie and tapped it into the net. Against the run of play Springvale led 1-0 at the interval.

Five minutes after half-time, Terry Vowles came on for Norman Edgar.

Springvale stuck to good Soccer and gradually took the initiative.

Ten minutes from the end, Hank Meyer put the issue beyond doubt when he scored again.

Springvale were without the injured John Beesley but Pat Fann, David Hyde and Peter Conte starred in a side that won deservedly.

Preston Makedonia started with a rush and led 2-0 after 9 minutes. Richmond steadied but could not break through as Makedonia surprisingly fell back on defence.

This was the pattern of subsequent play and it could have cost them the game.

Richmond pulled it back to 1-2 with a 30 yard cannonball from Gangleir but wild finishing, a packed goalmouth and sheer bad luck robbed them of a point they merited.

It was a gloomy opening of their new ground by Ringwood United.

For 20 minutes they hammered Prahran but failed to beat Neil Ward, who gave an outstanding performance in goal.

After 22 minutes, Peter Avenit gave Prahran the lead against the run of play.

It was simple justice when Ringwood's outside left shot and the ball deflected into goal, off a defender.

Half-time arrived with the scores level but the second half was one way traffic.

Rignwood lacked system as Prahran's systematic teamwork gave them control.

First a free kick floated in and a defender kicked it against Peter Evans from whom it rebounded into the net.

With ten minutes to go Graham Clamp flashed down the wing and cut the ball back from the goal line.

Steve Freund on the right wing met it to make the score 3-1.

Three minutes later a carbon copy move made the final score 4-1.

Ward and Colin Seedy were outstanding in a workmanlike Prahran team. Coburg United turned in their poorest performance of the season when they entertained Yallourn.

Drawing 2-2 they surrendered their 100 per cent

record, yet with any luck they might have won.

Coburg had the lift of a first minute goal, a header by George Malcolm, and despite unobjectionable play, led 1-0 at the interval.

A minute after half-time Yallourn equalised but Graham Watson regained the lead.

Ten minutes from time, Yallourn, playing with ten men, equalised once again.

Arthur Bolton and George Malcolm both hit the bar but Coburg had to be content with a point.

Yallourn's centre forward received marching orders for striking Watson.

Both their goals were the result of defensive slackness.

George Malcolm, Watson and Sammy Loughran were best for Coburg in a match they will want to forget.

Frankston was another team which produced poor form.

Their strong half-back line of Benton, Houston and Parrot failed to take command.

It was left to Kurt Schroeder and Nigel Bevis to hold the defence together. Left winger Keith Lawson was starved for much of the game and only David Morgan showed anything in attack.

To top it off Alan Parrot was sent off for an incident behind play.

Hercules were steady rather than brilliant. Frank Di Giovanni reappeared for them after a 44 years suspension. He used to be their top goal scorer. His performance was such, that when back at peak fitness he is likely to be an asset.

Billy Lewis gave away a penalty in the 10th minute and Perry Skamagas put Hercules in front from the spot.

Before half-time Frankston levelled when an Allan Parrot free kick was sliced into his own net by Charlie Gambin.

Late in the second half, Paul Bitsounis regained the lead, for Hercules, from close in.

Micky Benton salvaged a point for Frankston when he converted a penalty for hands, five minutes from time.

Half - backs, Steve Kaknis, spearhead Tom Karaitis and full back Theo Karaitis were best for Hercules.

In a hard fought game, Waverley and Albion Rovers went in, scoreless, at half-time.

Thirteen minutes into the second half, Johnny Stuart brushed off three defenders to slam the ball into the net, giving Albion a slender lead.

Seven minutes later Duncan Carmichael headed home a Stuart cross to give the visitors a winning lead.

Mike Borg, Hugh Rafferty and Stuart were outstanding for Albion, who never gave up.

Ex Juventus star Acunzo and Bobby Keenan scored for Albion Reserves in their 2-1 victory.

## Whorouly goes back to the top

Cobram remain the only undefeated club in the North East but drop to second place on the ladder.

Whorouly, as the result of a massive win at Seymour, resume leadership.

Benalla scored their first win, when they travelled to Wangaratta and defeated the home side 4-2.

Wangaratta are now the only side without a victory, but are placed above Benalla on the ladder, having a better goal average.

Myrtleford are showing their power now, and only a point separates them from the leaders.

Albury dropped a home point in the derby game with Wodonga, but remain a close challenger.

They moved up to fourth spot, as Shepparton slipped when soundly beaten by Cobram.

King Valley gained their first victory when Deniliquin failed to reply to the home side's two goals.

The North East Disciplinary Committee have already had eight players sent to them.

One received a week's suspension, one three weeks, five received four weeks each, and the eighth has so far, failed to appear and is suspended until he does.

The committee warns that it will be increasingly tough on offenders. They mean to clean up soccer in the district.

## BALLARAT, GEELONG AND DISTRICTS ASSOCIATION

It was a black day for Ballarat United and Hamlyn Rangers in the Ballarat, Geelong and District Association, last week-end.

Both clubs have teams in the Senior, Reserves and under 17 leagues.

All six teams lost at home without any one of them scoring a goal.

In the Reserves League, Langi Kal Kal, who won their first game in two years the previous week, won again in convincing fashion and moved up another place on the ladder.

No home team was victorious in any of the three leagues.

In the Geelong Little League, North United scored the only goal of a closely fought Primal Cup Final.

These under 14's put on an exhibition which was an object lesson for many Senior teams.

Newcombe Wanderers, the losers fought out the final in sporting spirit.

# THREE LEADERS CRASH!

In last Sunday's fourth round matches, the three undefeated sides in the Premier Division were all defeated. FITZROY, HAWKSBURN and FRANKSTON PINES all went down narrowly at the hands of CHADSTONE, PASCOE VALE and ARDEER respectively.

Kingsville swamped North Altona 5-1 in a game which was really decided in the first half as Kingsville had built up a 5-0 lead by the interval. Goalscorers for Kingsville were — Illy a 2, Pero 2, and Cane penalty. Cane was best man on the ground, despite being closely marked.

This was North Altona's fourth successive loss and leaves them pointless on the bottom of the ladder along with Fawkner.

At Main Road Reserve, Chadstone held on to a 2-1 lead with strong determined play to inflict Fitzroy's first defeat. Two quick goals by Chadstone in the opening twelve minutes by Alex Fox and Derek Pruden set the pace but Fitzroy quickly replied through Pasquini.

Play see-sawed from end to end until the 40-minute mark when Chadstone's link-man Alan Barlow was sent off by the referee. Fitzroy, taking advantage of the extra man, mounted wave after wave of attack in a hectic finish which produced several incidents but no further goals.

Best players for Chadstone were Derek Pruden, Brian Wilkinson and Eric Wilkinson. Best for Fitzroy were Pasquini, Korlevic and Taverna.

Ardeer had a prestige boosting 3-0 win over Frankston Pines mainly

due to a tireless and elusive display by Chris Ciempiex, who helped Ardeer to take the lead after half an hours play by floating a corner kick over for Eddie Klimczak to head home.

The Pines fought back strongly in the second half with Jimmy Ward and George Paulding prominent, but Ardeer ended their hopes two minutes from time when a long ball from Rasic was flicked on by Eddie Klimczak for brother Richard Klimczak to smash home against the run of the play.

Yarraville scraped home 3-2 against an improving Fawkner side. Goals from Barbakos 2, and Igaggelos gave Yarraville a winning score and goalie Hiedas thwarted any further chances Fawkner had.

The most outstanding player on the ground was Yarraville's G. Neletis, currently in the Victorian under 16 team, who showed he is a youngster with plenty of potential. Pascoe Vale provided the shock of the round by dispensing with Hawkesburn 5-4, in a rugged affair which surprisingly saw Sammy Giantar the ex-Northcote City Star and one of the cleanest players in the league sent-off by the Referee.

The Vale attacked furiously to score through Peter Perdevski 2, Alex Angelovski, Peter Perdevski and Steve Janovski who netted the

## District League

by Rick Lavale

winner after previously having rattled the woodwork with a couple of booming shots.

Hawkesburn replied through Bribil 2, and Weimber 2, but were always a yard behind their younger and faster opponents.

Melton, yet to win a game, suffered a heavy defeat at the hands of Langwarrin, which was largely due to an out-of-form defence. Fred Davis scored Melton's consolation goal while making a successful return to the team after two weeks on the sidelines with a shoulder injury.

## Eastern Division

Windsor retained their position as top team with a 4-1 win against South Dandenong on a wet and slippery ground. Paraskevopoulos 2, Alexandropoulos, and Parolas goaled for Windsor, while South retaliated through Centre forward J. Karayianiddas.

Windsor now have the most impressive goal average in the league with 28 goals for and only 2 against.

Balcombe have withdrawn their 'B' team from the competition and so Burnley received the 2 league points automatically.

Although Doveton defeated Army Apprentices 'A' team 4-0, officials were disappointed with the overall team performance against weak opposition.

Doveton never conceded one corner kick throughout the match and goalie Gary Henshill had little to do.

Goals had to come Doveton's way and finally did through Martin Jones, Steve Lyons, Barry Clark and mid-field player Derek Roy, who also set up many chances for his forwards, only to see them wasted.

The Doves will have to

improve on this performance next week when they meet the talented Burnley team led by shrewd tactician John Tato.

Cheltenham downed Mitcham 4-2 in heavy conditions which led to frequent passages of untidy play. Cheltenham took a 4-0 lead through Jason Tlacaz 2, Dick Jones and Roger Tonks, but then tired badly in heavy going allowing Mitcham to score twice and reduce the leeway.

The Mitcham skipper and right half Hakad played a great game holding his team together and doing everything right. But for his inspiring play Cheltenham's winning margin could have been greater.

After a poor start to the season, Cheltenham are now settling down and have some depth, with 25 registered players.

East Carlton suffered a blow to its championship hopes when defeated 2-3 by Royal Park. A fast start by the Park with the emphasis on team-work produced two goals by Yusuf and Canim to leave East Carlton floundering.

The change of ends brought a revival in the home team as they fought back to equalise with a Chappina goal and one that the Park put in their own net and seemed to knock the sting out of them. East realizing this attacked strongly, but Binyazir of Royal Park had other ideas and snatched the 2 league points with a 40-yard goal which caught opposing goal-keeper Dee Fillippo completely off-guard.

## Central Division

Regent obtained 2 points when the Diamond Creek 'B' team was unable to take the field due to the Referees decision regarding a lack of players pass-ports.

Kew had a comfortable 2-0 win over a very poorly organised Carlton team, which started the game with only eight men and finally managed to increase this number to ten when a couple of stragglers turned up.

The difference between the two sides was teamwork. Carlton had none whatsoever despite having several good individual players, while Kew's was excellent and can be expected to improve still further.

Diamond Creek lost 0-3
